

## II Amarilla Golf Circuit

*We are approaching the final of the Amarilla Golf!!!*

The fourth stage of the II Winter Circuit of Amrilla Golf was placed on Saturday 6th of March and, on this ocasión, the 67 participants changed thre traditional Stableford Individual to a Medal Play mode. The players left us Prof of their skill, endless anecdotes and enjoyed a fierce day which was followed by a Paella and a tradicional barbecue and an awards ceremony.

The winners of each category took home in addition to the **Canarian Federation of Golf Trophy**, a return ticket for two people to any destination in Mainland Spain and the Balearic island, courtesy of **Tu Billeto.com** and **Air Europa**. The second classified, courtesy of **Amarilla Golf**, 2 greenfees for 18holes to play on the course and 1 buggy and the second won 1 greenfee.. The other participants could also win a prize in the raffle. Meanwhile, **The Golf Players Shop** gave two golf clubs quality as special prizes of the day.

**Alejandro Jiménez Grande** (Hcp.3,7) was selected first overall winner of the men´s category with 69 strokes (Hcp.5,8). The player completed a flawless trip, with a stroke over par gross field, allowing you to take your handicap by 3 thens. The second with 71 strokes, fell to Anthony Bolsover (Hcp. 5,8).

In the second category, the Captain and Vicecaptain of the Amarilla Golf staged a struggle for the prize in which he highlighted the good time going through both competitive and high level of play. In the end, **Ian Pilling** (Hcp. 9.5), our current captain, who took the win with 66 strokes, while **Michael Baker** with 70 strokes, had to settle for a very worthy second place.

The third category surprised us with their winners: First place corresponded to **Norberto Garcia Hernandez** (Hcp.21, 1) leading the competition in just over a year and was able to complete a superb round that led him to win with no less than **62** strokes!

The second wind 66 strokes, is no less amazing, because it is **Sebastián Bananier** (Hcp. 19.4). It may be recalled that Sebastián, a junior of 12 years, managed to impress and in December last year getting a Hole in One on the 2nd hole in Amarilla Golf with what seems to be confirming that he has already caught “the pulse” of the course.

The ladies did not want to fall behind and we must also highlight the winner, who was a champion just by participating...an how!. In fact., **Evelyn Phyllis Lightfoot** (Hcp. 18.6) is much loved and admired by all the members of the Amarilla Golf Club, and no Gonder: for 82 years with no need for a buggy around the course and win over 71 strokes!. The second corresponded to Marilyn Pendleton (Hcp. 26.4) with 71 strokes.

In the women's category, it should also be emphasized the performance of the promising young **Catia Fernández López** (Hcp. -0,1), with 74 strokes she was ranked fourth.

The other special awards of the day were:

Longest Drive: Diego Espinosa Sánchez Diego

Ball closer to the Flag: Santiago Rivero De La Cruz 2.41 m

We recall that this circuit consists of 6 stages and scored in the top 15 ranked players from each category. The next stage will take place on April 10, 2010 and will be placed under the Stableford Individual mode with the addition that players must leave white bars instead of yellow as is the custom at the first 3 stages of the circuit.
